Revised publication “Qualitative translation of relations from BioPAX to SBML qual”

Dear Sir or Madam,

Thank you for the review of our publication with manuscript ID: BIOINF-2012-1033. We carefully addressed all reviewer comments and created a point-to-point list, discussing every reviewer comment and every change we have made. We are submitting this list, together with a revised version of our manuscript. As requested, we highlighted all changes made since the first submission.

Sincerely Yours,
The authors
